

Oatley Public School

Kindergarten 2022 Parent Information

The Oatley Public School community are looking forward to welcoming our new Kindergarten students and their families. Due to COVID restrictions, we have had to re-think the way our transition process will run this year. In order to remotely facilitate a positive transition for you and your child into the Oatley Public School community, we will be providing the following opportunities:

Communication to Parents via the School Website

On our School Website <https://oatley-p.schools.nsw.gov.au/> we have created a 'Kindergarten Enrolment' tab. Here we will continue to place any important information regarding school transition, uniforms, copies of information provided at enrolment etc. This will be updated regularly.

Parent Information Pack

Once your child's enrolment has been finalised with the School Office early next term, you will receive a Parent information pack. The bag will contain a 'Parent Information Book' which will outline important school information relating to the curriculum, Best Start, What happens on the first day/week. You will also receive a Kindergarten Social Story for your child. This can be read to assist them to familiarise themselves with our school and daily Kindergarten routines. There will also be the Kindergarten resource list and other relevant documents and 'goodies' to get your child ready for their first day. (Please note copies of all of these documents will also be placed on our school Website)

Kindergarten 2022 Parent ZOOM Sessions

A key part of our School Transition is connecting with our parents/carers. In order to provide you with as much information as possible, and ask any questions you have regarding our school, we will be holding 3 Parent Information ZOOM Sessions next term. ZOOM Links will be emailed on the Monday prior to each session.

SESSION 1- Thursday 4th November

Time: 10.00am

Topic: School Enrolment

SESSION 2- Thursday 18th November

Time: 10.00am

Topic: Our School

SESSION 3- Thursday 2nd December

Time: 10.00am

Topic: What I need to know about next year..

Supporting the School Transition of Kindergarten 2022 Students

Contact with Pre-Schools and Transition Statements

Our executive and learning support teams are in the process of making contact with all Pre-Schools in order to gather any specific information we can to ensure your child's transition into school is a positive one. We will be requesting transition statements and any specific information that will further assist us in supporting your child as they enter into school.

Additional Information from Parents/Carers

Once your child's online enrolment has been completed our School Office will be posting you a package containing information required to complete your enrolment. They will also be in touch to establish a time early in Term 4 for you to come into the school to complete the application process and look at School Uniforms. Also included in this package are forms you may like to fill out that will support our understanding of your child's individual learning needs, the engagement of any early intervention services, English and a Second Language needs and/or any other information you would like to provide. The establishment of positive partnerships between the school and families allows us to best plan for and cater to the needs of all students as they enter into school

We will continue to send through any relevant information via email and update our Website regularly. If you have any specific questions regarding your child's enrolment or accessing online application forms, please don't hesitate to contact us:
