Did you know?

The P&C currently offer four part-time paid roles in the school – the Uniform Shop (one person part-time) and the Canteen (three people part-time). The rest of the service is run by volunteers from our school community. The Canteen and the Uniform Shop offer essential services to the school and the revenue raised covers the running costs of each, with a small profit going to the P&C.

Book Club

Book Club is run by the P&C and every Book Club order earns Scholastic Rewards for OPS. The school then redeems the rewards for books as well as teaching, education and classroom resources.
