

16/10/20

## Friday 13th November 2020

It is with great excitement that the OPS Class of 2020 presents the 'Year 6 Fun Day'. This is a day where Year 6 students run a series of stalls, games and activities for the rest of the school. This year there will be: Crazy hair, soccer shootout, sponge throw, obstacle course, nerf battle, ultimate challenge, slime making, basketball shootout and more.

**There is a cost of \$6 for K-5 students to participate in the FunDay activities and will include an ice block.**

This is a Year 6 fundraiser, with the money raised used to purchase a gift for the school as well as contributing to the Year 6 Farewell and end of year activities.

All students can wear MUFTI on the day (with closed in shoes).

The canteen will be open for lunch orders but there will be no counter service at lunch time.

The Year 6 students and teachers are looking forward to all their planning and hard work coming to life and providing a fun-filled experience for the K-5 students.

**Please give permission via the School Stream App and make payment of \$6 online by 3pm on Tuesday 10/11 and include any allergies (food/skin).**
