OPS COMMUNICATIONS

Dear Parents and Caregivers,

Our school website has migrated over to the departmental website at the end of Term 1. This migration has generated changes to our communications.

Presently our communication is through School Stream App via Alerts or General Category and the School Website. The P & C updates will come through the School Stream App.

The School Website will communicate updated information on events from Department of Education and OPS, Learning from Home plans and Good News stories. To access this information:

- [Home Page](#) shows - From the Principal, Latest News, Upcoming events, Gallery
- For Parents tab on the navigation bar provides access to [Notes](#) and [Learning from Home](#) tabs

Ms D. Hunter
Principal

Mrs S. Markovski
Deputy Principal
