

PULSE

STUDIOS AUSTRALIA

Hi Pulse/Oatley Family,

As you are aware 2020 has been almost a right off for the Performing Arts; however with great pleasure Oatley Public school alongside The Pulse Team have been dodging and weaving bullets, hail storms you name it; everything has been thrown at us in every direction. To keep our talented heartfelt ship sailing and overcome any adversities that has arose as true colours really show in these times.

Karyn, myself and the Pulse teachers could not be more proud, of not only, what we are achieving but also how grateful we are to our beautiful supportive Oatley parents/guardians and Mrs. Debbie hunter, Teachers and staff of Oatley public school allowing our talented children to actually perform for you so you can see what your loved ones have been busily focussing on throughout this craziness.

Unfortunately there are restrictions to what, how, where we can showcase your love ones talents; hence together we will be filming the dance routines so you can share in some beautiful memories too...

Even though this will not be a 'professionally film production' our intention is to open the door for you. We will do our utmost to make it as enjoyable as possible when you watch from the comfort of your homes So you can break out your popcorn and enjoy.

We wish to thank you for keeping 'the norm' as much as possible for your children as it is making a tremendous impact on some of our young lives. Feeling not involved, isolated friendships parting different ways due to circumstances. Knowing that ALL children at Oatley have re-arranged, bounced back, solved and found resilience building their self esteem and characters by YOU giving them something to look forward to each and every week.

Thank you.
