

From the Principal

Dear Parents and Carers,

Week beginning Monday 8 March, 2021 all students K-6 will continue to be enter the south site school grounds to line up before going into classes. COVID conditions have changed for parent entry into schools please read link below.

It has been a very positive change over the past year to see the confidence build in our students particularly when they are responsible for entering the school on their own. We hope our parent community continue to support this past practice.

If parents are choosing to come into school grounds you must maintain social distancing protocols.

It is important that all students are in class lines by our 9.20am bell. It is from this lining up point that we disperse to either our normal classrooms as well as Italian, Library, computer room, Got Game and **PSSA activities**.

Reminders for Parents

- Ø Safety **pickup details** for your child online.
- Ø **Class Dojos for parents** in their individual class groups
- Ø **Years 3-6 now have an ICT online agreement**

Safety permission in regards to mandatory program delivery within our curriculum and media permissions to publish and walking to local areas.

Our Parent /Teacher interviews will be available between Monday 29 March - 1 April. A parent interview schedule will be available to parents to log in and choose an appropriate time to discuss your child's progress.

We are planning an induction for our newly elected SRC, House captains, Band and Library leaders as well as acknowledging our 2021 leadership team. We will be sending out invites to specific parents to attend their child's induction. Our capacity with our student audience will allow specified seating for one parent of the student to attend and we will be managing two induction ceremonies. Invitations have now been processed to successful students representing different programs in leadership.

The school website calendar is constantly updated so please check this and any notes that are given out to students are found under parent's page. Also the Principal address each week is saved under Newsletter each week on the website.

We hope you have enjoyed The Oatley Organiser which comes through the School stream on Monday showcasing our previous week's school events.
