

# From the Principal

Dear Parents and Carers,

Week beginning Monday 17 May, 2021.

Continued [COVID-19 guidelines](#) as from last week.

This week our students in Years 3 & 5 participated in NAPLAN on line. It was our first experience using ipads and chromebooks for this assessment. Our students navigated through their choice of device very confidently. Their teachers worked very hard to ensure there were no glitches in the operating systems and students were not interrupted with this new online assessment.

Our Season 1 of PSSA finished and due to the weather all PSSA schools finished playing only their round games. A decision not to have semi finals and finals was made due to the missed days of competition due to the wet weather. Congratulations Season 1 PSSA teams. Photos of your team will be forwarded soon to your family.

District Cross Country is coming up this week and we wish our Oatley competitors success in their age races. Mrs Rozmeta and Mr Prenzel accompany our students to this event.

## **WHAT'S NEW ON 4CTV**

Thank you to our students who have participated in our "Picture this" competition for 4CTV. Your entries are piling up in the front office and I know Mrs Lee and her team are very excited to look at your ideas. It is going to be a real mystery as we navigate through our 9 learning dispositions to see who are our disposition heroes. Our students have photos of silhouettes of our 9 disposition candidates hanging on our admin wall. Let's see how their guesses pan out.

## **Term 2 2021**

As events progress throughout this term please make sure you are on our school stream APP so you can experience these events that your child has been involved in.

Stage 3 camp is next week and teachers are working with students to work towards ensuring the students have a great experience.

Regards

Debbie Hunter

Principal
