### What you need to know:

- In the event stay-at-home rules are lifted in regional NSW before the end of Term 3, schools in those areas can expect to return to face-to-face teaching and learning at Level 3.
- From Monday 25 October, select cohorts under stay-at-home rules – starting with students in Kindergarten and Year 1 – will return to face-to-face learning under **Level 3 plus** COVID-safe settings, as long as community transmission and vaccination rate requirements have been met.

We hope our students continue to enjoy WELLBEING WEDNESDAY and continue to post some great photos to their class teacher..

We will post some photos each week to see what wonderful activities our students decided to explore away from their devices.

### **ENROLMENTS FOR 2022.**

Please go onto our website as enrolment for Kinder 2022 is now online. We are starting a data base so we can begin to make contact with our prospective parents.

### **BOOK WEEK CELEBRATION**

The theme this year was “Old Worlds, New Worlds, Other Worlds.” It was a really great week of celebrating book week and classes have posted videos on Class Dojo or parents may have been involved in seeing for themselves these zoom celebrations.

### **CELEBRATING STUDENT ACHIEVEMENT**

In our Oatley Organiser we celebrate student coding success using Minecraft, successful artwork and student ensemble success. The coding video can be viewed in our video gallery on the website.

### **OUR SCHEDULED ROSTER FOR TEACHERS CONTINUES UNTIL THE END OF THIS TERM.**

Allowing us to determine students attending daily has been greatly appreciated as we have to staff these students with our Georges River LGA teachers only.

### **Helping to keep our community safe. These regulations have not changed for this week.**

I want to remind all our families that there is minimal supervision on site at our school for those students who cannot be educated at home, for example if their parent or carer is an essential worker. All students and families will be supported with [learning from home](#) materials and resources. Schools priority for staff on site are now restricted to staff who live in the GR LGA if possible.

If you are working from home, and your child is able to be educated from home, please keep them at home.

### **Engaging in learning is essential for student attendance.**

As we continue into LFH for the next month the teachers are now marking students' attendance against the priority tasks that are handed in on a daily basis. Just answering the morning questions is not enough as we continue LFH. We need to ensure our students are engaged in their learning. Many teachers are also ringing parents to check in if LFH work is not being completed or we have not heard from you or your child over a few days.

**Thank you for your ongoing support.**

**Updated information will continue through website and school stream posts especially alerts and newsletter for whole school communication. Class teachers will continue to communicate via Class Dojo and google classroom and zoom.**

**Regards**
