We hope parents and community enjoyed our individual class zooms throughout last week to celebrate individual students' successes. I am extremely proud of my teachers for their commitment and dedication they have given to your child this year and congratulate them on an amazingly challenging and productive year.

Thank you to our wonderful Class of 2021 students who were also acknowledged for their success. I have valued working with our Student Leadership Team this year and want to acknowledge them for their dedication to their lead role and the consistent support to the students at Oatley Public School.
