

# From the Principal

**Monday 10 August 2020 OATLEY PUBLIC SCHOOL CONTINUES RETURN TO FACE TO FACE with SOCIAL DISTANCING PROTOCOLS still in place for ADULTS.**

Dear Parents

We celebrate Education Week this week. The theme is Learning Together. We hope you enjoyed our launch of Oatley Public School's Education Week with our 4CTV earlier this week. Our culmination of this week will be that each class has made a LEARNING TOGETHER video which will be posted on the Class Dojo Friday afternoon. Parents can access this from their child's Class Dojo. Each class has created their learning together journey showcasing each student in their class.

We hope to start scripture and ethics classes on Wednesday 19 August 2020.

Our school photos will still proceed on Monday 7 September, 2020. Information has been distributed to students with a hardcopy and via school stream. The note is also on this website FOR PARENTS..

Teachers are still maintaining social distancing procedures therefore professional learning and communication will continue online.

Reports are being completed by class teachers and students will receive these modified reports on Thursday 13 August. Students will be bringing these reports home. Presently we cannot have face to face parent interviews, however, there will be options where teachers can follow up with parents via phone contact. Please contact the school if families need extra reports emailed.

Thank you to all the parents who have enrolled their child for 2021 Kindergarten. If parents have new neighbours please let them know that the school is enrolling now. Other than Year 6 could parents please contact the school if their child will not be returning to Oatley PS in 2021.
