

Dear Parents and Carers,

Week beginning Monday 3 May, 2021.

Visit the [COVID-19 guidelines](#) for additional information.

We had beautiful weather for our K-6 Cross Country. Our students ran enthusiastically to complete the circuit. Thank you to Mrs Rozmeta and Miss Downs – Tuck for organising this fun event. We will have students represent our school in the district carnival on 20 May 2021.

Our P&C are getting very busy for our next huge trivia night event. Our students all contributed some amazing art work designed by Ynja Bjornsson which will be part of this trivia night in fundraising. The creativity of ideas and bringing them to fruition for our students is greatly valued.

### **Reminders for Parents**

We are now moving into the next two weeks of check in assessments for Year 4 & 6 students. NAPLAN check ins for Year 4 & Year 6 will go ahead from 3 May 2021 which provides the school with an external snapshot of our students learning and growth. The results just come to the school and are not shared with parents. This is the same as COVID check ins last year.

Following with our Year 3 & 5 students completing NAPLAN online. NAPLAN online will be implemented from Tuesday 11 May 2021 where parents do receive individual reports on their Year 3 or Year 5 child.

Student leadership and SRC are fundraising for homeless students. So make sure you come as a hero for our homeless students and bring in a gold coin donation or two.

Thanks to our Fathering Project we hope to give mum/significant carer a special treat for Mother's Day so please dads and children start baking for our mums.

Our Debating Team also starts their programs this coming week. Mr Dodd will be accompanying our team to Illawong PS for their first debate. Good luck to our team.

### **Term 2 2021**

As events progress throughout this term please make sure you are on our school stream APP so you can experience these events that your child has been involved in.

Regards

Debbie Hunter

Principal
