

From the Principal

Term 4 Week 7, 21 November 2022

Dear parents and Carers,

Thank you

A huge thank you to Mrs Markovski for her leadership of the school while I was on leave.

North Site Playground Works

The playground works are half way into the completed project. A day of wet weather impacted on the timeframe but we are now back on track. There has been huge preparation for the amount of water that the school gets from rain and neighbouring properties which runs downhill into this newly developed area ensuring stormwater drains are created. The sandstone blocks match the south site FLATs area and are great seating for our students. Next week we will see the synthetic turf being laid and the area taking on a really beautiful and practical play area for our students.

Year 6 Activities- Surf Awareness Course

It was a warm day but freezing in the water and our Year 6 still had a great day. This was an excellent opportunity for our students to refresh their skills in water safety.

Year 5 Selective Test applications for 2024 Year 7.

This has now closed

Semester 2 Reports

These will be handed out on Friday 2 December 2022. We will also email these out onto the parent SENTRAL APP. Please ensure you have downloaded the APP.

PSSA season 3: FINALS as competition ends

A huge thank you to all coaches for this Season's competition and the time the teachers coached our students.

Regards

Debbie Hunter

Principal.
