

Week 11 beginning Monday 4 April 2022

Dear parents and carers

SCHOOL INTERVIEWS START MONDAY 4 APRIL 2022.

All teachers have allocated times and availability for interviews which are available from Monday 4 April 2022 – Friday 8 April 2022.

Parents have scheduled in their interview times and we ask that parents meet their child's teacher in their child's classroom. We will have a tight schedule of 15 minutes per interview and ask parents and students to try to keep to that schedule to enable social distancing and privacy as some of our classrooms do not have internal waiting room space.

COVID HITTING HARD with staff so interview schedules for Mr Prenzel 6P, Mrs Boutsikakis KB and Miss Matthews 3M will be postponed. New dates for interviews will be rescheduled between Monday 2 May – Friday 6 May 2022. These teachers have put this postponement on their Class Dojos.

STUDENT LEADERSHIP

Our students are involved in two major initiatives. The first is creating our own school Acknowledgement to Country and our second is a joint partnership with P&C to redesign and upgrade our northern site playground. Both initiatives have the students really engaged and we will provide updates through our Oatley Organiser on their progress.
