

## **Week 5 beginning Monday 23 May 2022**

Dear parents and carers

### **PSSA SEASON 2**

Students successful have received a note from their coach providing payment, permission, travel and Code of Conduct information. The Season 2 begins this Friday 27 May. Our other students will be involved in a school sport's program which provides students with skills and games staying on school site. Please also be aware of training schedules for your child which have been set by the coaches.

**Multicultural Public Speaking** Finals have been completed. What a fantastic opportunity to hear the depth of research and understanding our students have in their prepared chosen topic. Then to go and present in front of an audience and their parents. It is the impromptu speech that is the most difficult for students to write and present and I am very proud of their achievements. We send two finalists into the next round from stage 2 and stage 3.

Further information in the Oatley organiser.

**NAPLAN ON LINE for Year 3 & Year 5 students** has now been completed.

### **SAFETY DAY K-6**

This incursion will be delivered to all our students last Monday 16 May 2022. This will occur during school hours and is part of our safety curriculum. There is a booklet accompanying the student's talk so I hope your child spoke to you about what they learnt.

### **NATIONAL WALK SAFELY TO SCHOOL DAY**

Further information in the Oatley Organiser

**NATIONAL SORRY DAY will be acknowledged by the school on Thursday 26 May 2022.**

**2021 ANNUAL SCHOOL REPORT now available on this website.**

Regards

Debbie Hunter

Principal
