

Week 3 beginning Monday 9 May 2022

Dear parents and carers

I hope everyone enjoyed Mother's, Grandmother's and Carer's Day. It is a lovely way to reconnect with family and friends.

3-6 including students turning 8 years old this year CROSS COUNTRY

A huge thank you to Mr Lao for coordinating this Cross Country event with the assistance of Mrs Rozmeta.

The sun shone, the grounds were opened up and the students eager to run. It is a long distance to run for our students but congratulations to all of our students for participating, earning house points for their school house and for the students achieving a place to go into the district. It was a great day to be out together and I was very proud of all students running and finishing. Thank you parents for being spectators but a huge thank you to parents who volunteered to help set up and pull down the equipment and who were our Marshalls along the track. We are very appreciative.

PSSA SEASON 2

We have everything crossed for this competition to go ahead this term. Our coaches will continue trialling our students for selection to represent our school at this Georges River interschool competition. The selection involves the particular sports skills needed for that sport and the team spirit that students display while representing their school. Students will be advised by their coaches in a couple of weeks if they have made a team.
