

Week 10 beginning Monday 27 June 2022

Dear parents and carers

From the Principal

Term 2 ends 1 July 2022 and Term 3 start date for students on Tuesday 19 July 2022.

We have had some technical issues with reports so we hope that a hard copy will be sent home on Friday 1 July 2022 with your child and we will also send a soft copy home via our SENTRAL APP. We understand that families may need extra copies or other email send outs so please make sure you contact the school 95805519. We do historically have families requiring extra reports but it is important to check and update as we do have new parents this year in our school.

Absences on reports have been noted only by whole day absences and most parents will be able to connect when your child was absent due to illness. This is a mandatory requirement of reporting. We will be following up in Term 3 many students who have high percentages of partial absences as well.

It has been a very difficult term with high student and teacher absences so very important that during this week all our teachers meet together in Stages to collaboratively program and plan quality teaching and learning lessons for consistency of delivery, for next Term. This planning supports teaching and learning programs to still be delivered consistently to our students even though their teacher may be absent.

Our final 4CTV production for this term is on our website and students have seen it through Class Dojo. Please have a look at CREATIVITY.

Regards

Debbie Hunter
