

From the Principal

Term 4 - Week 8

Monday 30 November 2020 OATLEY PUBLIC SCHOOL CONTINUES SOCIAL DISTANCING PROTOCOLS still in place for ADULTS. Parents should ensure school pick up and drop off arrangements enable them to physically distance from one another and from staff.

Dear Parents and Carers,

Oatley Public School has been recognised for our outstanding results in Reading, and the Sydney Morning Herald has visited the school to view the exemplary teaching strategies which are evident across the school.

We have successfully worked through the process of electing the 2021 Leadership Team. A huge congratulations to the students, who I'm sure will do an amazing job being the representative voice for the student body.

4CTV Disposition Challenger Episode 2 is now available for viewing on ClassDojo and the school website. Once again, the students' knowledge of the Learning Dispositions was tested. They enjoyed engaging in this process and we look forward in seeing who the overall winners will be, either Team Red or Team Blue. Good luck to all students.

The last of the Kindergarten Orientation sessions was held via a Zoom meeting. We welcome the new cohort of parents to our Oatley Public School community and look forward to the kindergarten students starting in 2021.

Staff and students have been working hard at completing their Integrated units of work and assessment tasks in preparation for Semester 2 reports, which will be going home Thursday 3 December (Week 8).

Please contact the office if your child is not returning to Oatley PS next year. We have now received our student and teacher entitlement and funding for 2021 which allows the school to begin planning our staffing for 2021. Please also contact the school if you have a change of address or contact details as it is very important we are able to contact you when required.

The school year ends for students on **Wednesday 16 December 2020**, and what a year it has been! The school will still be operational as office and teachers will be coming in on the **Thursday 17 & Friday 18th December** for professional learning days.

In 2021 the start date for students who are going to be in **Years 1 -6 is Friday 29 January 2021**. Kindergarten 2021 start date is **Monday 1 February 2021**.

For the latest COVID-19
